"SCHOOL TIES"

© 1992 PARAMOUNT

This story begins with students taking a wide variety of classes in just as many different buildings.

As time passes, your major course of study becomes your focus and you spend less time sprinting from building to building and more time within the walls of one building.

Finally, it's graduation and your last sprint is across a stage in the auditorium or the gym.

Becker Hall is the home to Communication and Computer Science majors. Through the sharing of their professors' knowledge and personal practical experiences, students get a firm grasp on their future careers.

BECKER HALL

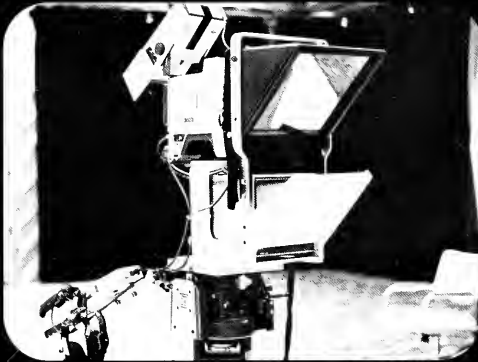

All photos by Marci Spancake

Lisa McCartney

Lisa McCartney

Lisa McCartney

Marci Spencake

Becker Hall is home to the university's own television station, TV-5, and a FM radio station, WCUC-FM. There is also a high tech computer lab with programs ranging from Aldus Page Maker 4.0 to Wordperfect 5.1 and even the VAX system.

BECKER HALL

For those students in the Communication field, there is a modern photography lab for the development of pictures as well as a reproduction graphics lab for the design of media print ideas.

BECKER HALL

Chris Kruljac

Lisa McCartney

Lisa McCartney

Marwick-Boyd Fine Arts Center is home to Art, Music, and Speech Communication / Theater majors. The creative talents of students are tested here within classes and labs. Students improve verbal skills with a few pointers from their Speech Communication classes.

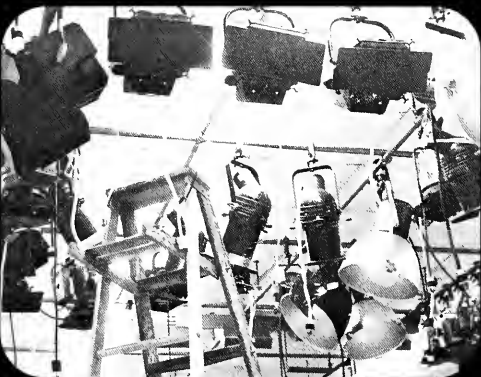

MARWICK BOYD FINE ARTS CENTER

MARWICK BOYD FINE ARTS CENTER

There are also numerous art labs for a variety of activities such as painting, drawing and print-making. Musical practice rooms are housed here for the preparation of productions. The art of acting is played out with theater classes and put forth to the public.

All photos by Lisa McCartney

Marwick-Boyd houses a huge auditorium as well as the Little Theater for many of Clarion's concerts, recitals, and plays. Fall commencement is also held here.

MARWICK BOYD FINE ARTS CENTER

All photos by Lisa McCartney

STEVENS HALL

Stevens Hall is the home to
Early Childhood, Elementary, and
Secondary Education majors.

Students get an opportunity to
work with children as they go
through the growing process
allowing for a better understanding
of the influences of education.

All photos by Saad Al-Mutain

All photos by Saa J Al-Mutaini

There is also a Special Education Building connected to Stevens Hall for students who have chosen a career focusing on people with special needs. Stevens Hall also houses a computer lab with special programs to fit the Education major's needs.

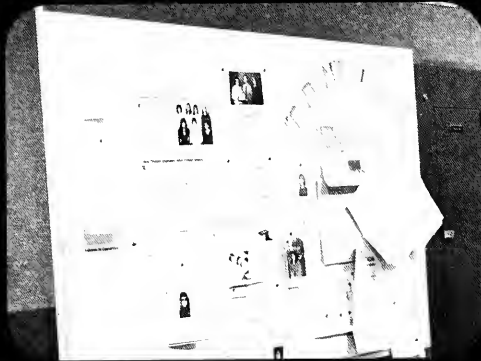

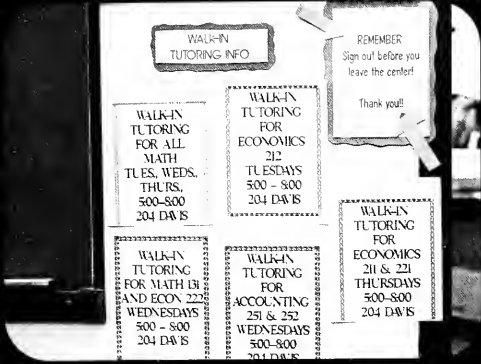

STEVENS HALL

DAVIS HALL

Davis Hall is the home to Speech Pathology and Audiology majors. Students get a chance to work with people who have speech and/or hearing impairments while learning the processes behind it all.

All photos by Lisa McCartney

All photos by Lisa McCartney

Davis Hall also houses the **Tutoring Center** for students having problems with classes. They are shown ways to improve their learning skills. The Tutoring Center is run by dedicated students volunteering free time to help their fellow classmates.

DAVIS HALL

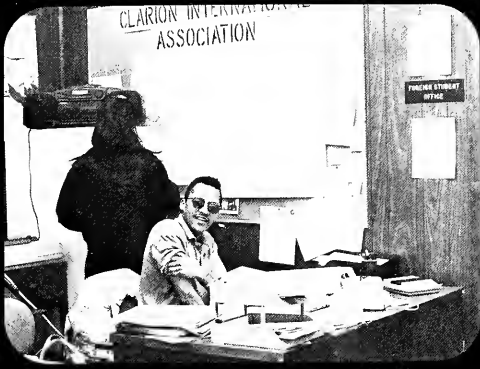

Founders Hall is home to History, Humanities, and Behavioral Sciences majors. Students get a chance to learn about other culture's past history and even their own through History classes. There are also many historical artifacts on display all over Founders Hall for viewing.

FOUNDERS HALL

Lisa McCartney

Saad Al-Mutaini

Lisa McCartney

Lisa McCartney

Lisa McCartney

Saad Al-Mutaini

Students have the opportunity to discover what it is to be human through Humanities and why people act or think a certain way through Behavioral Sciences classes. Clarion's International Students' home away from home is the office of International Affairs which is also located in Founders Hall.

FOUNDERS HALL

Still Hall is home to Accounting, Administrative Science, Economics, Finance, Marketing, and Real Estate majors. Through class activities and lecture students experience the many aspects of the business world from selling to buying and everything in between.

STILL HALL

All photos by Saad Al-Mutaini

All photos by Saad Al-Mutaini

Still Hall also houses the heart of Clarion's entire computer system including a high tech computer lab for Business majors. Still Hall gives students a good experience in the broad field of Business Administration while taking care of the university as a whole.

STILL HALL

Carlson Library is home to English, Library Science, and Psychology majors. Carlson's Library Science Department is one of only three accredited programs in this state. The Psychology Department, guides students toward self awareness while the English Department teaches self expression.

CARLSON LIBRARY

All photos by Chris Kruljac

All photos by Lisa McCartney

Many study areas are provided for students to study or work on group projects. A variety of books, reference materials, and periodicals help students obtain needed information for their classes.

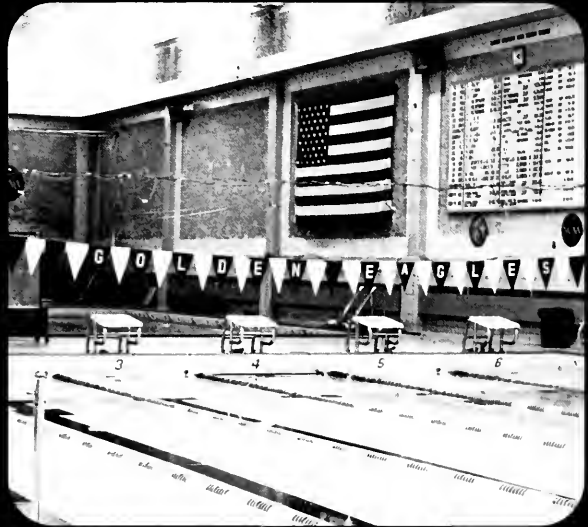

CARLSON LIBRARY

Tippin Gym is home to Physical Education, Health, and Sports Medicine classes. Students work in large groups through sports activities or through lecture to understand the concepts behind health and physical activity.

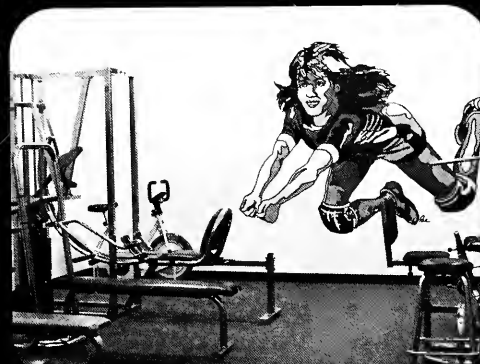

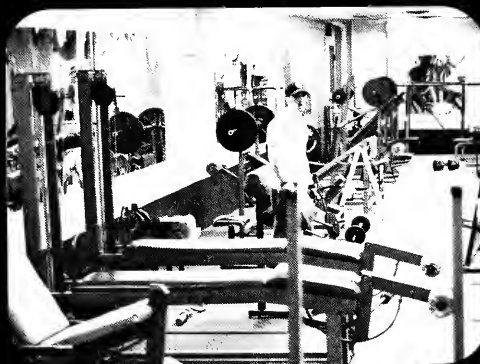

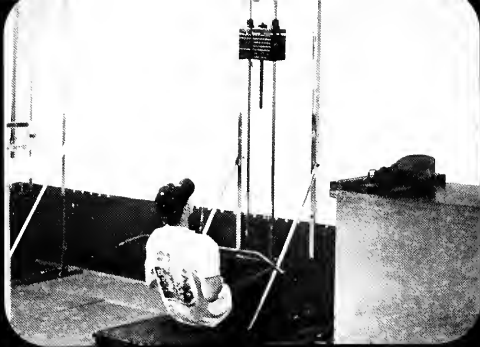

TIPPEN GYM

Marci Spancake

Lisa McCartney

All photos by Lisa McCartney

Many athletic events are held here ranging from swimming to basketball to wrestling. Spring commencement is held here as well as many other different events.

TIPPEN GYM

Pierce Science Center is home to Biology, Physics, Math, Chemistry, Earth Science, Geology, and Geography majors. Students get a chance to learn about the "sciences" through their specialized fields with experiments or lab activities or just good ol' lectures!

PIERCE SCIENCE CENTER

Lisa McCartney

Wendy Schaffner

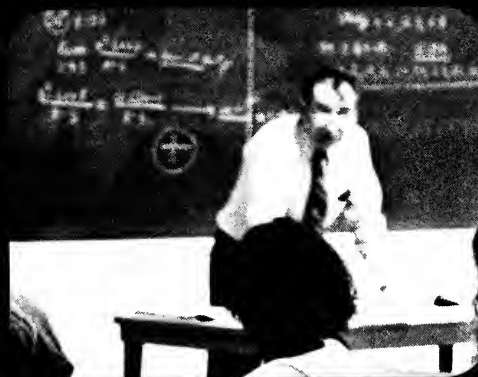

Wendy Schaffner

Lisa McCartney

Wendy Schaffner

Lisa McCartney

Throughout Pierce Science Center there are many labs for in depth experiments based around classes ranging from Biology to Chemistry and Physics.

PIERCE SCIENCE CENTER

Pierce Science Center also
houses Clarion's own Planetarium
for those who like Astronomy or for
those who just like to look at the
stars!

FEATURE PRE-
SENTATION

"IT'S A WON-
DERFUL LIFE"

© 1946 Republic Pictures

This story begins with students saying goodbye to the familiar and stepping into the unknown.

As time passes, you learn everything from how to fall safely in the winter time to if the sun shines in Clarion you'll pay for it later.

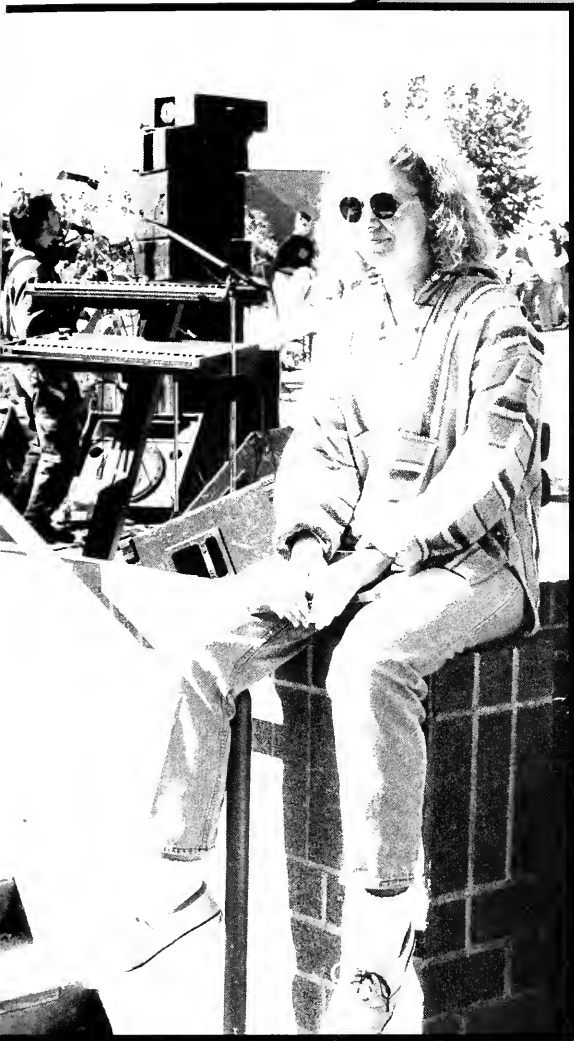

Finally, the end approaches and the unfamiliar has become something dear.

Fun in the SUN!

Once a year an Activities Day is held. On this day representatives from various groups and organizations introduce themselves to the student body. Students have the opportunity to become acquainted with the groups and what they do. They are given the chance to join, as they pass by the different booths set up by Greek organizations and clubs which are represented on campus.

A concert was held during the day outside of Gemell Student Complex, which brought in a fairly large crowd as people passed by.

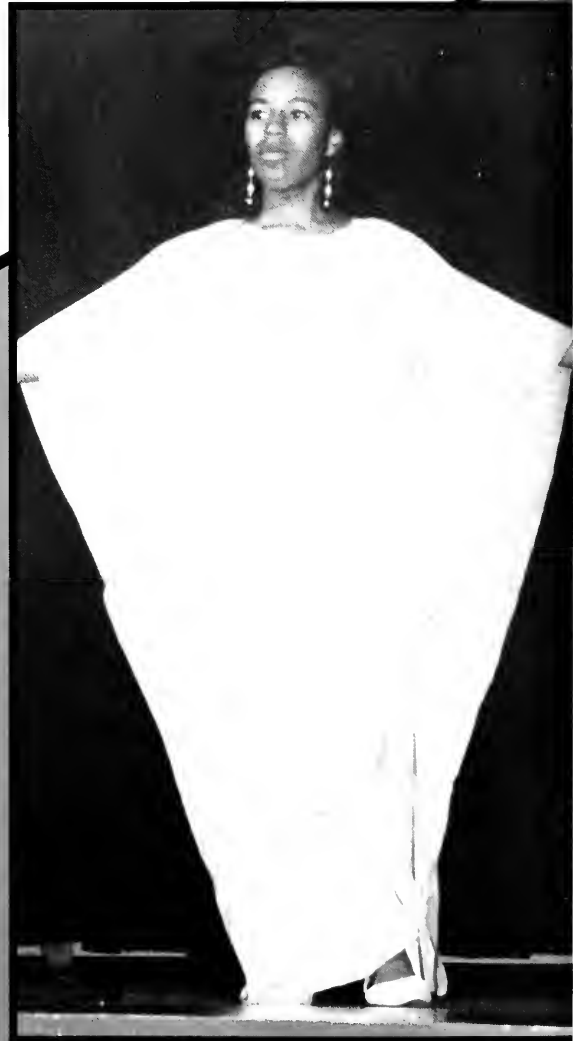

All Photos by Lisa McCartney

MI CASA ES SU CASA!

The Clarion University student body is a diverse one, with students representing many different countries and cultures. The students are here not only to learn about their selected fields, but also to learn about our culture. However, they also share with us a little of their own cultures in the process.

Throughout the semester many events are held, which are open to students, as well as the public.

These events allow CU students and others to explore various traditions in such things as dance and food from the students representing their nationalities.

SAFE at LAST!

Students think that public safety officers main jobs are to hand out parking tickets and respond to fire drills. But, this year Public Safety, which will have a new location at Thorn 1, has taken new steps to insure the safety of students and faculty on Campus. An emergency telephone system, as well as a surveillance system are expected to be installed on Campus by the Fall 1994 semester. The locations of these systems will be where high frequency of incidents occur.

With the help of STAR (Students Together Against Rape) and the Clarion Sexual Assault Network, the program was devised in the hopes of preventing even more criminal activities.

All Photos by Lisa McCartney

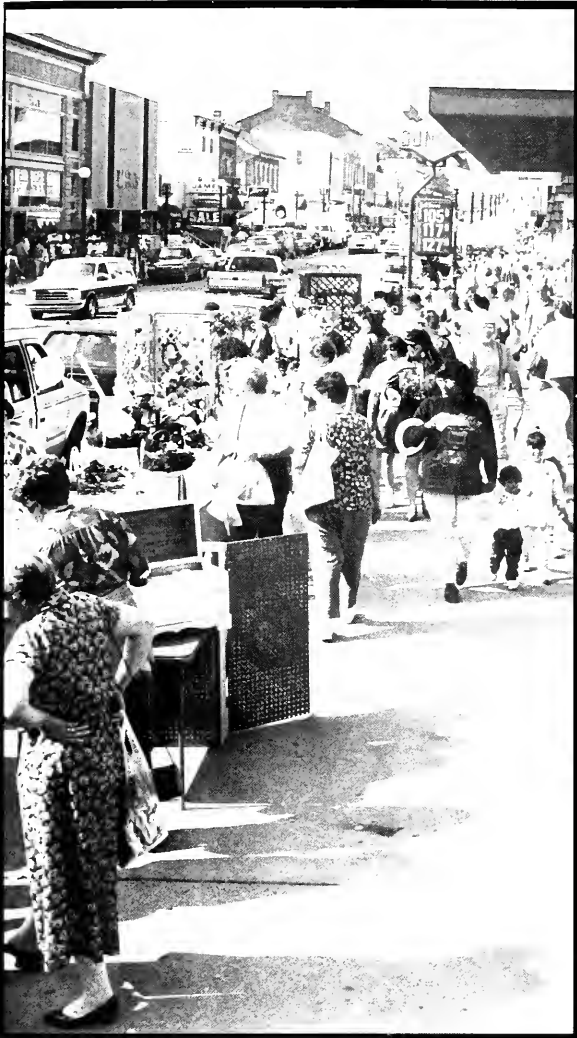

= FUN !

Autumn Leaf Festival has been a tradition in Clarion for many years. Over 100,000 people come to this town during the weeks' celebrations. These include the carnival rides and games, the food stands with various selections, the craft stands, and the art show at the public library.

The week comes to an end with a parade on Saturday afternoon followed by the crowning of the Homecoming queen at the football game. And finally on Sunday there is a car show on Main Street.

The 1993 homecoming football game was the Golden Eagles against the Bloomsburg Huskies, with Clarion Defeating B.U. 40-18. The homecoming queen for 1993 was senior Merrilyn Murnyack. She was escorted by Matt Dunlap.

All Photos by Chris Kruljac

Home Sweet ROOM?

What do you get when you take two people from two different backgrounds, and stick them in a room with all of their worldly possessions and leave them in Clarion for a year? Either the best of friends, or the worst of enemies. At any rate...you get a lot of memories to carry with you into the future.

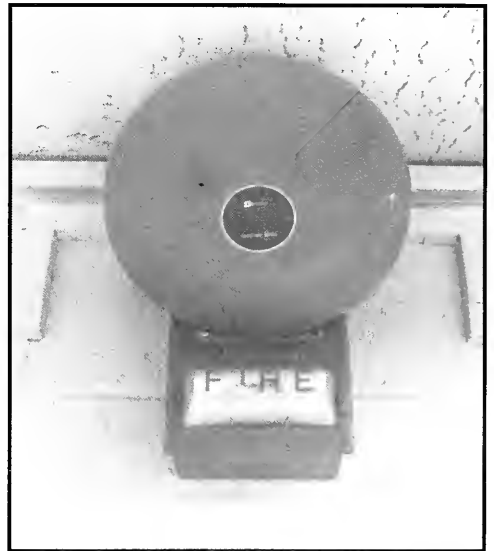

Clarion offers seven residence halls to students. For females who prefer to live in an all-female building there are Becht and Givan. For males who wish to live in an all-male building there is Ballentine. The co-ed dorms include; Campbell, Nair, Ralston, and Wilkinson. All the dorms provide an unique environment and the opportunity to socialize and make friends.

Ju-Yon Lee

What to do, What to do?

Are you done with your homework and you don't have any tests to study for. Or maybe you're not done with your homework and you'd just like to procrastinate a little, what can you do? In Gemmell Student Complex you can play racquetball, video games, pool, lift weights, or do aerobics. You can swim in Tippin, hang out with friends or attend a campus activity.

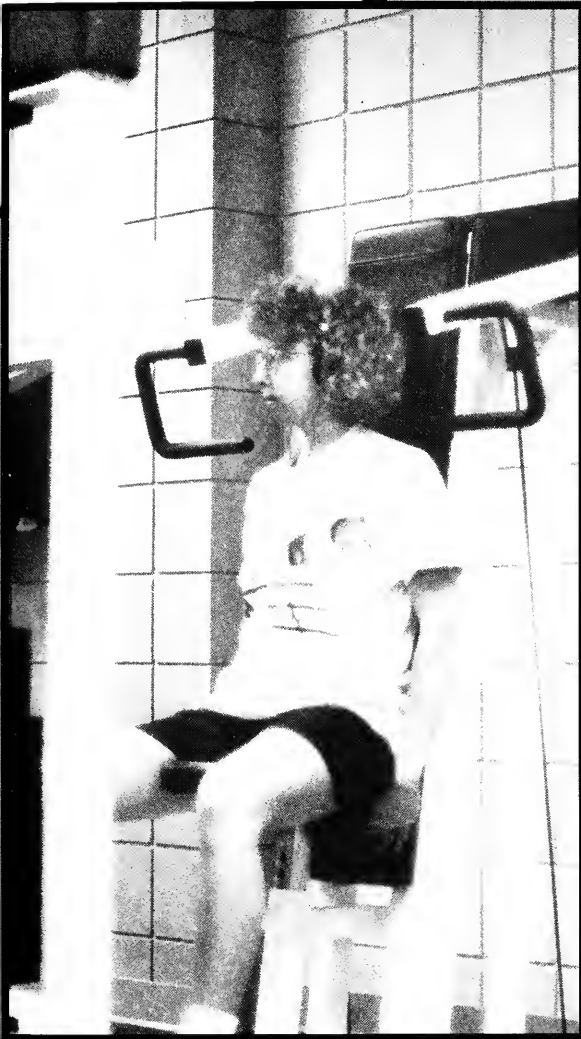

Campus sports are always fun to watch. However, if you'd rather get off campus you can always catch a movie or eat out at your favorite restaurant. If you have money to spend shopping is always a favorite option.

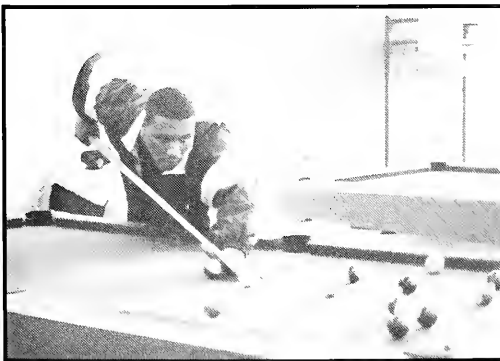

Lisa McCartney

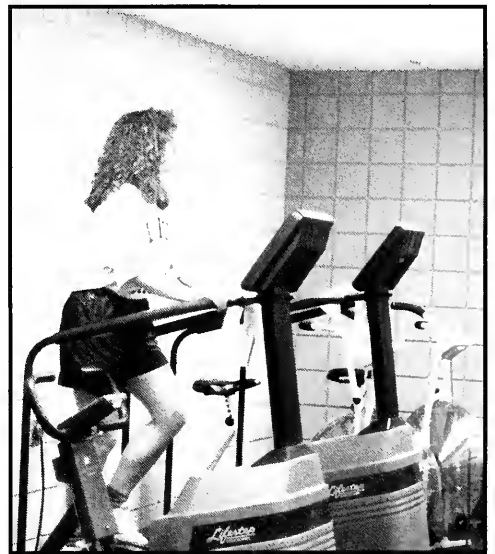

Ju-Yon Lee

Ju-Yon Lee

Ju-Yon Lee

PARTYLING ON!

LOUD, it's CRAZY, but most of all it's LOUD! It's the battle of the bands and Clarion loves it. Many bands get together to show off their musical talents to the audience and other bands. On this night we can all catch a glimpse of just how talented Clarion students are.

All Photos by Pat McDevitt

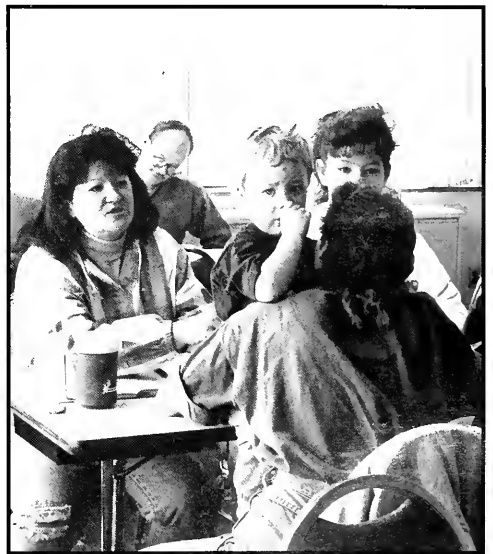

FLYING GEESE!

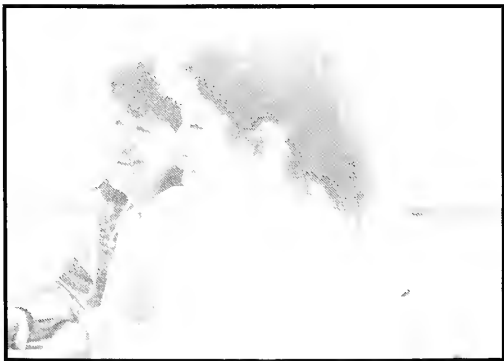

stands for Returning Adult and Commuting Students. They are the only organization on Campus that represents the commuting students many of whom are adults that drive here everyday in all kinds of weather. The eight year old organization has approximately 150 members and is hosting the 1994 Adult Learners on Campus Consortium in October. It is a valuable conference for the Adult Learner and several universities from the U.S. will be here at Clarion. RACS sponsors Random Acts of Kindness days and a mentoring program. Their members are out in the community making a difference.

Their new theme is Flying Geese. Geese fly in a V pattern and the flapping of the wings in unison encourage their leader, and when he tires he drops back and a new leader takes his place.

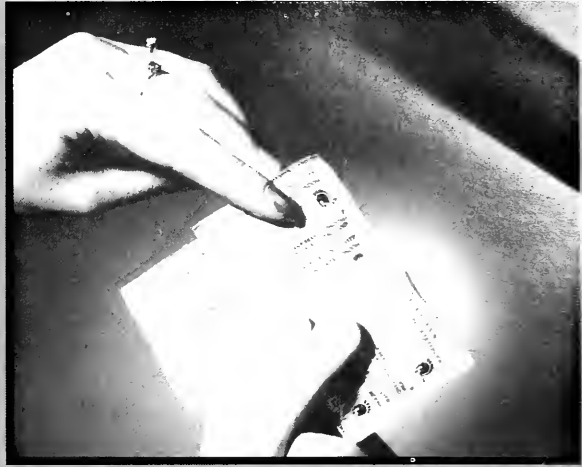

All Photos by Lisa McCartney

SAFE SEX - JUST DO IT!

In the uprising of AIDS, students of Clarion University need to get together and remind each other to use safe sex. College students are the most sexually active group of people in today's society. With condoms and other contraceptives available, people should be responsible and try to keep themselves and their partners healthy and safe.

CARING and SHARING!

Let you didn't know how generous the student body at C.U. is. In the past year over 800 students agreed to give up a meal at the cafeteria so \$800 could be used to buy food for the Clarion County Food Bank. About 40 families benefited from these student's sacrifice. The United Campus Ministry gave needy children costumed bears, Psi Chi held a Coat drive for Pittsburgh Area Youth, and Dr. Reinhard even chipped in with contributions to Venango/Clarion Children and Youth Services. So think HIGHLY of your fellow students here at C.U. These programs help to make the community and university close-knit. Several organizations working together helped make the Donate a Meal program as well as other activities possible and hopefully they'll keep up the good work in the future.

LIFE on OUR OWN!

With the exception of commuting students, all freshmen must live on campus in the dorms. This arrangement has its good and bad points. Some bad points are the late night fire drills and the idea of sharing a bathroom with the rest of the wing. But the best point of the arrangement is the close friendships that develop.

Many students decide after their freshman year, to move off campus. Some move to apartments, some to trailers, and some to sorority or fraternity houses. Living off campus has its bad points too, like the long walks to class; and if you drive there is the endless search for a parking space that often ends with a pink ticket under the windshield wiper. Then there is the idea of cooking on your own and doing the dishes, but most students agree that living off campus gives them independence.

All Photos by Lisa McCartney

E=M... WHAT?

One has their own unique ways of studying as well as places. Some students study in their apartments or dorm rooms, while others prefer the library because it is quiet. Also most people prefer to study alone, unless they are working on a group project. Many like to work late at night, while others prefer to study in the morning; while still other study whenever they find time.

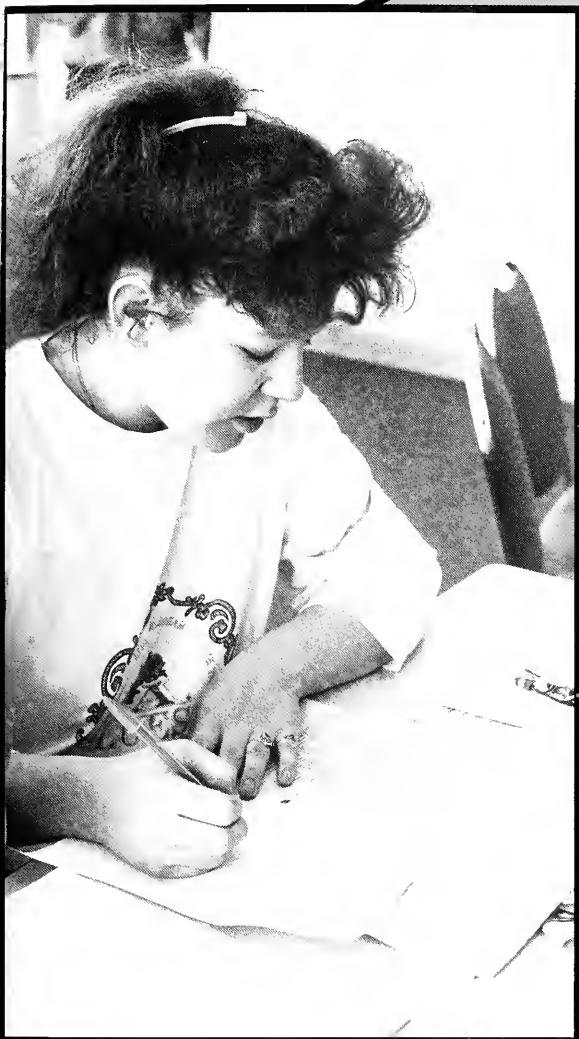

Computer labs play a big role for many students, when it comes to getting work done. One of the biggest complaints with the computer labs is that it is very difficult to find an available computer during finals week. However, most students agree that there are enough computers on campus the rest of the semester. Studying is just one of those things that has to be done from time to time, no matter how or where students prefer to do it.

Lisa McCartney

C.U. at the MOVIES!

When there is nothing else to do in this small town, many students head for the theaters in town, or one of the three video rental places in town.

The Garby and the Orpheum theaters can provide a couple hours of entertainment. In the last year measures have been taken to improve the appearance of these two theaters to make them more inviting.

On the other hand, for those who choose to watch the latest release in the comfort of your own apartment or dorm rooms, you can rent videos. Wilkinsons, The Video Place, and Clarion Video are all popular places with C.U.P. students.

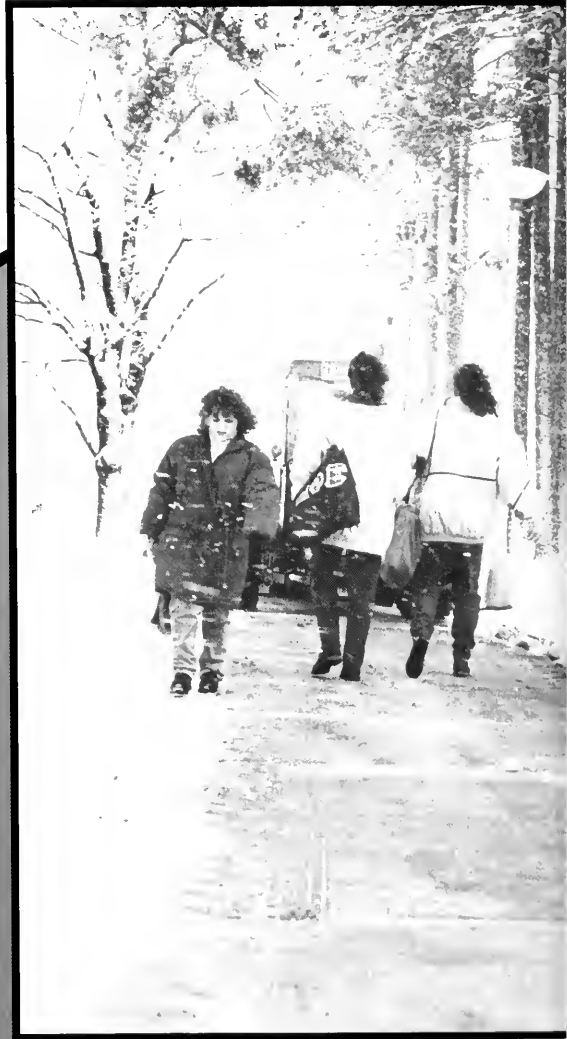

All Photos by Lisa McCartney

SUNSHINE..What's That?

Weather in Clarion has always left much to be desired; however it seems this year has been especially bad. C.U. students (and maintenance) have had to battle an uncontrollable number of blizzards this year. Getting to class proved to be a real trek as people slid from one end of campus to another.

Just when we thought it couldn't snow anymore, it began to rain, and rain, and rain. Will we ever see a clear sunny sky and a really warm day ever again?

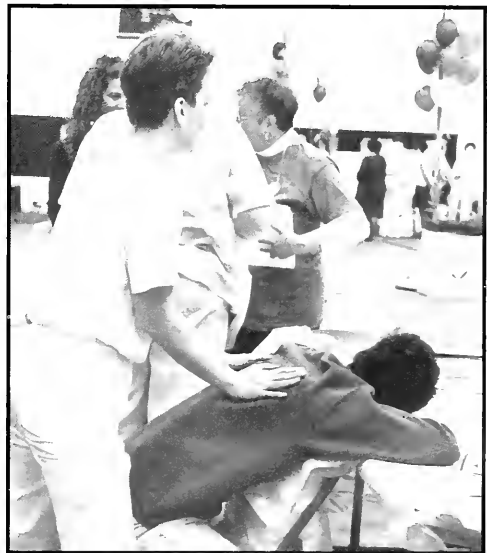

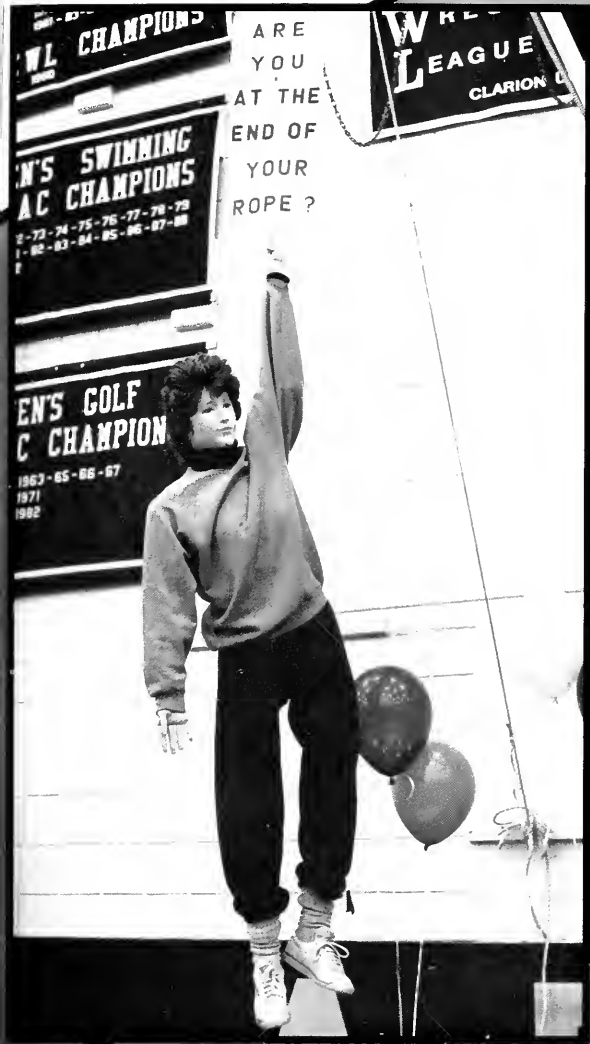

All Photos by Lisa McCartney

Are You WELL?

Clarke University hosted the fourth annual "Wellness Fair" on Thursday, April 14. The purpose of the fair was to allow C.U. students and the whole community to explore the seven aspects of wellness, including; physical, social, emotional, intellectual, occupational, spiritual, and environmental.

Various sessions were offered on specific topics, for example, "Humor as Healing" and "Acupuncture." There were approximately forty-five vendors represented from area businesses and agencies.

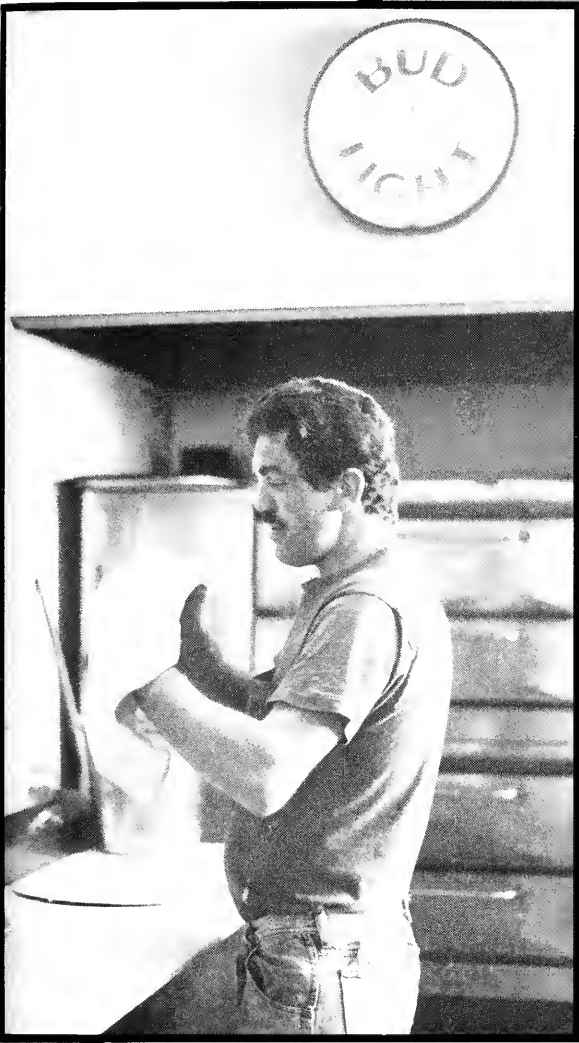

All Photos by Lisa McCartney

YUMMIE to MY TUMMY!

They say you're supposed to eat to live, not live to eat, but you have to admit everyone loves food. At Clarion you have a multitude of choices. If you live on campus, you're stuck with the cafe, or you can check out the snack bar. Lunch time finds restaurants within walking distance packed with students and professors trying to escape from campus for a few precious moments. Pizza is always a favorite alternative of students and at Clarion you can take your pick from many places such as, Domino's, Four Star, Fox's, the Pub, and others. Lots of people check out the Call for discounts and coupons. Remember, Tues. and Thurs. nights are 39 cent cheeseburger nights at McDonald's, and Wed. is 25 cent wing night at the U.I.

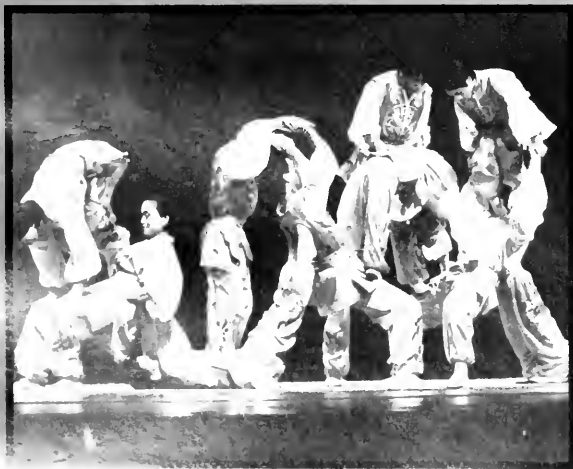

All photos by Lisa McCartney

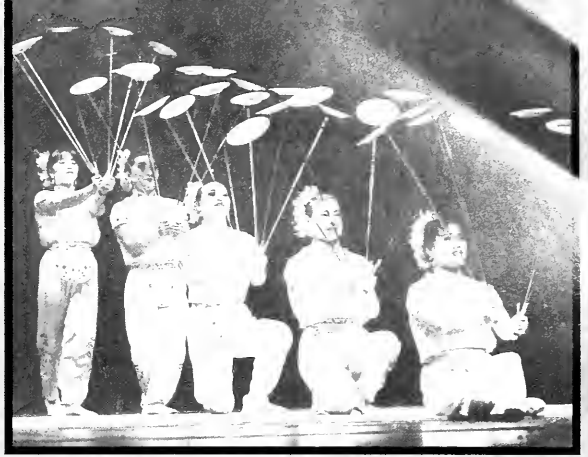

SY TURVY!

March 11, Clarion University presented the "Chinese Golden Dragon Acrobats." The event was sponsored by UAB and was open to the public, as well as students. The show included such stunts as pyramids, balancing acts on saw horses or chairs, and walls made of people as well as stylized dancing.

An Acrobat is a skilled actor, athlete, and artist who has had many years of formal training, which begins at the age of four. The acrobats are recruited from advertisements in a Taipei newspaper.

The Republic of Taipei Government awarded the Chinese Acrobats the single highest honor for performers by sponsoring their 1989 tour of Bao Dao (Beautiful Island) throughout a 20 week tour of the U.S. and Canada.

All Photos by Lisa McCartney

WAS IT TIME YET?

... snow, snow, snow many Clarion University students migrated north or anywhere but SNOW CITY U.S.A. (Clarion) for spring break. Some went to New Orleans to visit the Creole Kitchen on Bourbon Street, while others went to the Grandfather Mountains in North Carolina. Then there is the common spring breaks to Fort Lauderdale, Daytona, Panama City, and Cancun. However many chose just to go home for Mom's home cooking and free laundry service. No matter where you were, all enjoyed a few days off from classes, tests, and meetings just to relax.

NIGHT LIFE!

The University Activities Board plans many activities throughout each semester. These activities cover a wide range of topics and interests that appeal to most students and faculty, as well as to the public on occasion.

Throughout the 1993-94 school year many activities were planned. There were Jazz band concerts, as well as other concerts by various artists. There was even a hypnotist who performed his trade on volunteers from the audience.

It seems that there is always something new and interesting to go see!

Marci Spaurake

Marci Spaurake

Pat McDevitt

Pat McDevitt

GREEN DAY!

Earth Day was celebrated on April 23rd this year. It is a day set aside for the acknowledgment of the importance of preserving the Earth.

This is the fourth annual Earth Day held by Clarion University. The Earth Day Jam was sponsored by area restaurants and WCCB radio. For the first time the weather was nice enough to hold the concert outside on the outdoor stage beside Gemmell.

Awareness of the environment is important and has become recognized much over the last few years. Evidence for this is seen with all of the recycling bins placed over the campus.

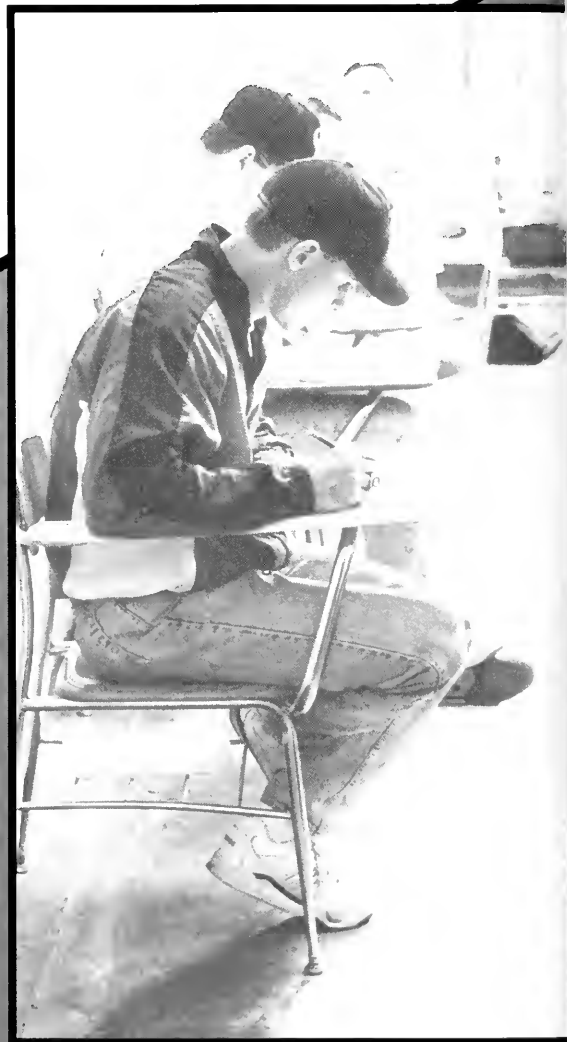

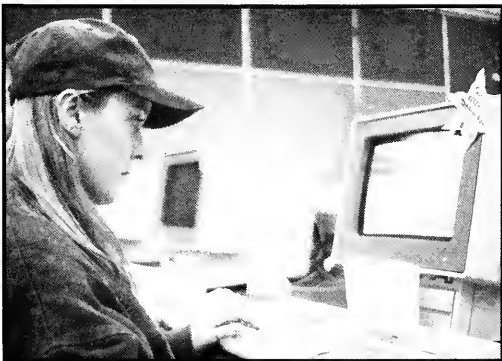

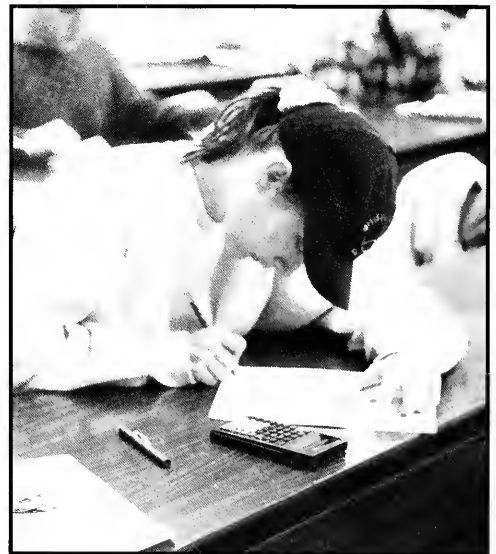

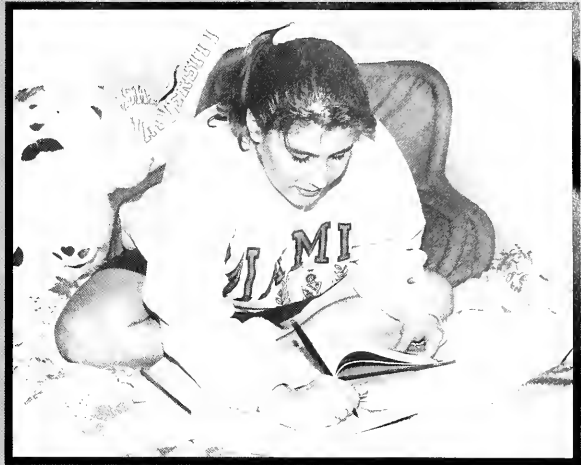

All Photos by Lisa McCartney

I Need ONE More HOUR!

The most dreaded week of the semester for many students is finals week. Stress levels go into overload as students prepare for tests and try to get assignments and papers turned in. Preparing for the tests takes many all-nighters, because many of the notes haven't been read since the first week of the semester. And getting papers and assignments done can prove difficult if you need to use a computer. Most students agree that finals week is the busiest time in the computer labs, and if you're lucky you won't have to wait long to use one. Fortunately there are encouraging phone calls from home, care packages, good friends, pizza delivery services, and coffee to get us through.

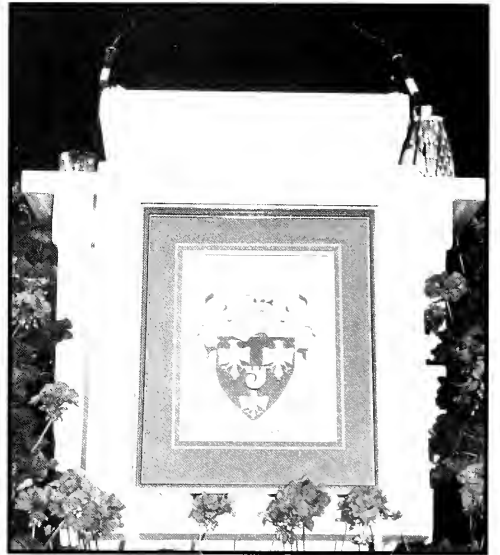

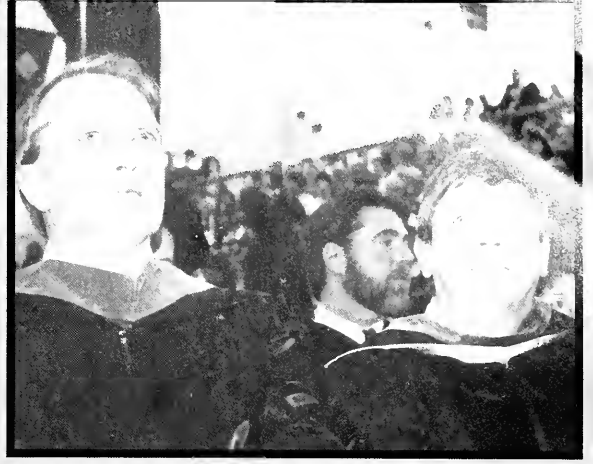

All Photos by Lisa McCartney

MOVING of the TASSEL!

Graduation Day, the day that our parents have been waiting for since the day we were born. It is also the day we greet with a mixture of emotions. On this day we must say good-bye to our care free days of college life and hello to our future. A future we approach with enthusiasm, happiness, and just a little fear.

Whether we want to pursue careers in Teaching, Journalism, Biology, Music, Business, or Computers, Clarion sends us off to our future with the tools we need to make it fruitful and happy. We just need to use those tools to build the bridge to our dreams.

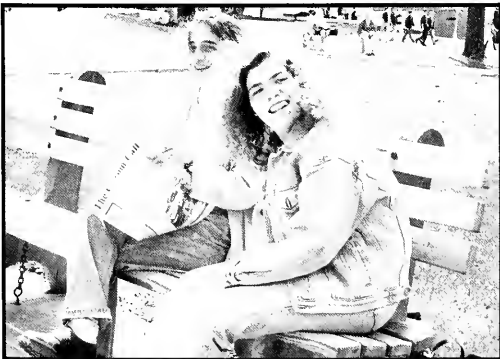

All Photos by Wendy Schaffner

FRIENDS FOREVER!

All Photos by Lisa McCartney

WHO'S WHO?

Each year many students apply to become one of the elite. This elite group of students submit applications that inquire about grades, activities, leadership, and volunteer activities. Once the recommendations and applications are reviewed, the students are notified if they made it into the grand group of Who's Who at Colleges and Universities. The following are the Clarion students who received this great honor.

Row 1: Mike Jewart, Carol Bernat, Darlene Hartman, Ron McCloskey, Rob Reda, Michael Meals. **Row 2:** Karen Orgitano, Caf Porter, Rebecca Shirey, Richael Barger, Colleen Miller, Janice Berg, Michele Boreman, Kari Larson, Cheryl Brosious, Melinda Griffith, Lisa McCartney, April Miller. **Row 3:** Tracey Trautman, Marla Pavelek, Heather McMatton, Melissa Gregory, Julie Bender, Cristy Holmes, Jeanette Woodcock, Lisa Swarm, Desiree Wassam, Kelly Haugh. **Row 4:** Julie Quattro, Lynn Baluh, Debra Gles, Cindy Waters, Karen Kearney.

FEATURE PRE-
SENTATION

"AIR UP
THERE"

© 1993 PARAMOUNT

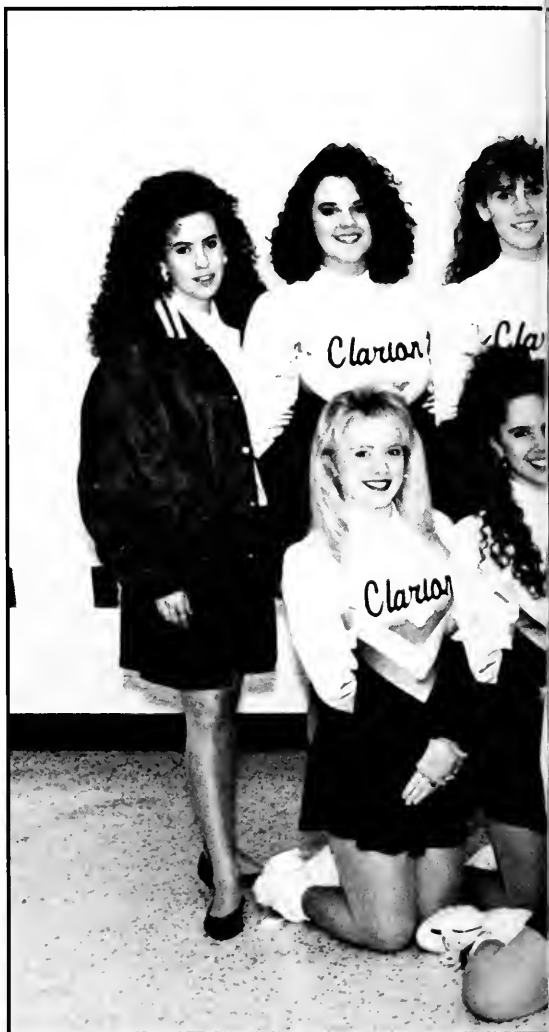

This story begins with the opening aches and pains of the first days of practice.

As time passes, your aches and pains fade while the flame of ambition burns brighter with each passing day.

Finally, it's the last game of the season and all that remains is the memories . . . until next season!

DANCE TEAM

Go to any home football game and you're bound to be swept away by the music and dancing of Clarion's Dance Team. Many fans appreciate the selection of up-beat songs and sharp dance skills. The women who dedicate their time and talents to the dance team can always be seen around campus with a smile and some school spirit.

Sports Info.

Row 1: Jodi Medvitz (co-captain), Dana Ed (captain), Andrea Desiderio (co-captain). **Row 2:** Lisa Kubik, Jennifer Janoss, LaSean Henderson, Delita Greco, Angela Gaspar, Tracy D'Ambrosio, Kirisa Thork. **Row 3:** Patti Consolo, Joelle Banjak, Jeanna Hodges, Christine Burdette, Desiree Wassam, Candice Bostick, LaDonna Morton, Kristy Silko, Angie Link.

CHEERLEADING

Most people do not consider cheerleading to be a sport. But, talk to Jamie Lohnson, Ryan Hitchman, or any other Clarion Cheerleader, and you'll find out that not only do the men and women put in 10-15 hours of practice a week, they also do aerobics or work out four days a week. Not only do cheerleaders present an atmosphere of spirit throughout campus, but they also represent Clarion in many community events such as: a charity fundraiser with the golf team, a car wash, several high school cheering clinics, and you can even see a Clarion cheerleader in a People Magazine. They support the football, men and women's basketball, and wrestling teams. Their ultimate goal is to begin a PSAC Cheering Competition and to qualify for the National Cheering Competition.

FOOTBALL

Clarion head football coach Gene Sobolewski starts into his eleventh season this fall with his Golden Eagles being ranked nineteenth in pre-season by College Football Preview. His 1993 squad returns with 15 starters and 32 lettermen. The top players for the Eagles should be Tim Brown, Marlon Worthy, Damon Mazoff, Frank Andrews, and Sean Spencer. The season predictions did not look so high after the performances came out.

The Golden Eagles finished with an overall record of 5-5 and with a PSAC West record of 3-3. Brown had an awesome season. He broke the receiving record of Ron Urbansky. Brown also moved into fourth place for career receiving yards to bump Jim Becker. Tim Brown has a great chance of getting drafted. Good Luck.

With the season concluding, head football coach, Gene Sobolewski retired after dedicating himself to eleven straight seasons with the Golden Eagles. Sobolewski plans to continue as an Associate Professor in the Department of health and Physical Education. Thank you for the great years!

At the end of the season there was more bad news. The 1993 Clarion Golden Eagles Football Team was stripped of the PSAC West title. Throughout the season, a player that was ineligible played in games that he was not permitted to play.

Ray Henderson

TENNIS

This year's Lady Eagles Tennis Team was coached by Terri Acker for his fourth consecutive season. Acker knew at the season's start that this year would be a rebuilding one. The end results of this team overall were 4-6 and in the Conference they were 3-3. This year there were three returning veterans, and five first year players. The three returning players were seniors Shara Wolkomir, Roxann Milton, and sophomore Melodi Dess. The senior co-captains were Wolkomir and Milton, Leadership was given by the three returning players to all members of the team.

Wolkomir started for her fourth year and has been the #1 seeded player for the past two years. "Shara is Technically the best hitter on the team and is in the best shape of her life," said Acker. "Mentally, she is one of the toughest individuals I've ever coached."

Milton, the #2 seeded singles player for 1993, one of the senior co-captains is a three-year letter-winner. "Roxann is probably our most consistent player as well as being one of our better conditioned athletes," said Acker.

The third returning member of this year's team was sophomore Melodi Dess. Dess moved up from the #5 and #6 position of the year before to be the #3 seed. "Melodi's pure athletic ability alone will keep her in matches," said Acker.

This year's team was very young. The rest of the team members include: Sarah Unkefer, Kirsten McKinley, Morgan Mulvihill, Stephanie Pond, and Kim Turowski. Acker said, "We are looking for bright things in the future with our new players."

Christin Mihon

VOLLEYBALL

The definition of a young team is a rebuilding team. That's exactly what head coach Sue Flaherty and the Golden Eagles dealt with in their 1992 season. With the loss of All-Region performers from last season, juniors Megan Kelly and Gerri Condo provided leadership and confidence to the many inexperienced freshman. Both Kelly and Condo had to play versatile roles while the teams season was riddled with injuries and illnesses. Many of the freshman, such as Katie Rhodes, Lisa Flynn, Nicole Flambard, Beth Tress, and Dawn Fredericks, had to step up to fill positions with as much ability and improvement as possible. Even though the middle and outside hitters like Jen Betters, Bobbie Simpson, and Nicole Flambard racked up the points. The Golden Eagles fought to a 6-23 record. Simpson, a sophomore has a bright outlook for next season. The team has already started conditioning and should be in contention for titles next season.

Chris Kruljac

Chris Kruljac

CROSS COUNTRY

The 1993 men and women's cross country were led once again by four year coach Ron Wiser. This year's team endured a grueling eight meet schedule. Coach Wiser was impressed with both the effort and competition of this years squad as they competed in one of the toughest Division II conferences, the PSAC'S. The women's team was led by senior captain Magan Stecklair and senior Lisa Griffo. This year's team proved to be competitive week in and week out as they placed four out of seven teams at the California Invitational and third at CMU. The teams real strength this season was the strength of their pack and team unity. The women will have four girls returning for next season since they will lose the four girls who are graduating. The men were paced by senior Russ Breindel and junior chad Griggs. This year's team of young runners, including four freshmen, got stronger from week to week.

The men had their best showing at the Mt. Union International, placing eighth out of eleven teams. The men will be looking to be soaring higher next season with seven runners returning.

Jamie B. Johnson

BASKETBALL

Clarion says goodbye to star senior Kwame Morton who holds 21 CUP records, PSAC records, and led NCAA divisions with 32.5 ppg and Division II in three point field goals. Other senior standouts are: Steve Branch, who ranks 12th in career rebounds at Clarion; Brian Paige, who finished his career at the foul line with an amazing 86.2%; Ian Whyte, who led the team with 44 blocked shots.

Other season highlights include coach, Dr. Ron Righter, being elected as Assistant Coach for the East Team in the 1994 United States Olympic Festival. Righter has brought success to Clarion since he stepped foot in Tippen in 88-89 season.

Clarion Call

BASKETBALL

Clarion Lady Eagles had, yet, another season thanks to hard work and great coaching. In five years, Gie Parsons has won four PSAC-West Titles, three PSAC crowns, and this year is her fourth trip to the NCAA Division II Tournament. Clarion traveled all the way to North Dakota to compete in the Elite Eight round of the National Tournament. Some of the titles the women have captured are Clarion Classic, PSAC-West, PSAC, and Eastern Regionals. The team fondly says goodbye to seniors Shannon Coakley and Amy Coon, who appeared on ESPN in the National Three Point and Dunk Contest. Carlita Jones received "Player of the Year" at Clarion's Hall of Fame Banquet. We would like to extend our congratulations to the Lady Eagles on an outstanding season.

SWJM & DJVE

This year's swim team was centered around solid junior and sophomore classes with added depth from returning veterans. In a season that can be viewed as a rebuilding year, the men finished third in the PSAC's with the women's team capturing another first place title. The men's team was led by captains Pete Barry, Rob Redo, and Chad Rimsky finished the season with a 6-2 dual meet record. The ladies team led by captains Justine Gibbons, Kendra Raymond, and Kim Strawbridge finished with a dual meet record of 7-1.

The women's team finished a strong third at NCAA Division II Nationals with the men's team finishing in seventh place. "The third place finish ended another strong season. It was truly a team effort all season long. I'm really proud of their efforts and we're looking forward to next season," stated the sixteenth year head coach Bill Miller after Nation-

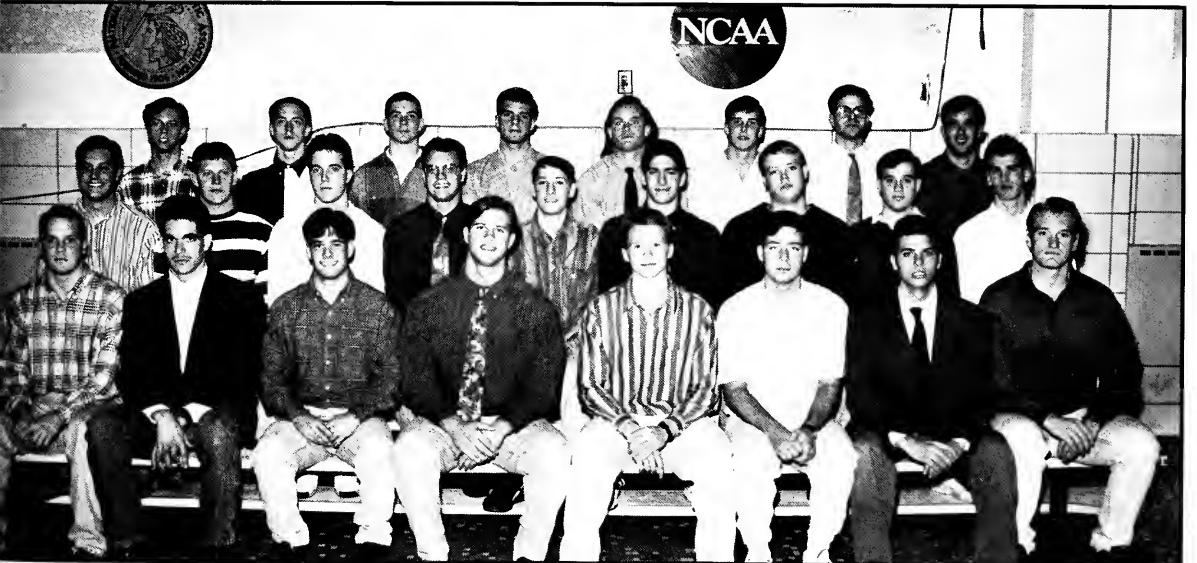

Clarion

Lisa McCa

Sports Info.

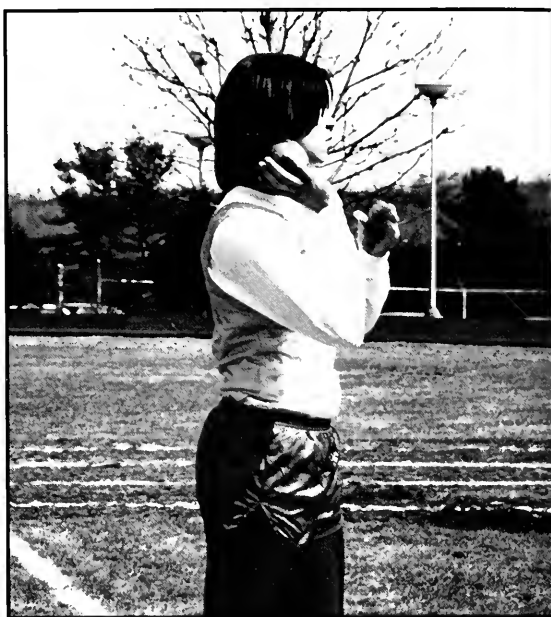

Sports Info.

TRACK

The CUP track team was under the direction of fourth year head coach Ron Wiser. The team competed in seven meets overall, three indoor meets, and four outdoor meets.

The indoor meets included two trips to Robert Morris and a trip to Slippery Rock. The outdoor season included two home meets, a trip to Baldwin-Wallace, and a meet during winter break at Jacksonville, Florida.

The strength of this year's team was found in its youth and growing numbers. Seniors competing in their last semester at CUP were Kevin Harper, Jen Dansberger, and Megan Steckler. These seniors added leadership, depth, and talent to the CUP squad and will be missed. With a growing number of members and abundant talent the Eagles are ready to fly into the future.

WRESTLING

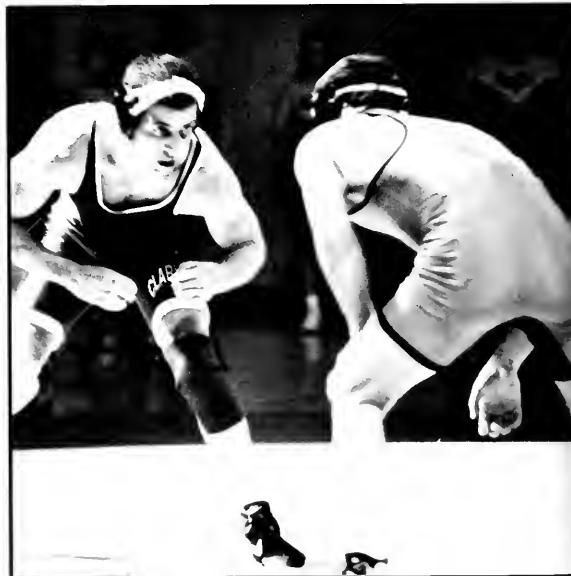

This year, the Clarion Wrestling team finished the season as the sixth rated team in Division I. Clarion was also named the top NCAA Division I dual meet team in the East by the Eastern Mat Poll. This is their sixth national ranking to end the season.

Clarion's dual meet record was 15-2. The wrestlers won the PSAC team title with a record 174 points, then won the Eastern Wrestling League team title.

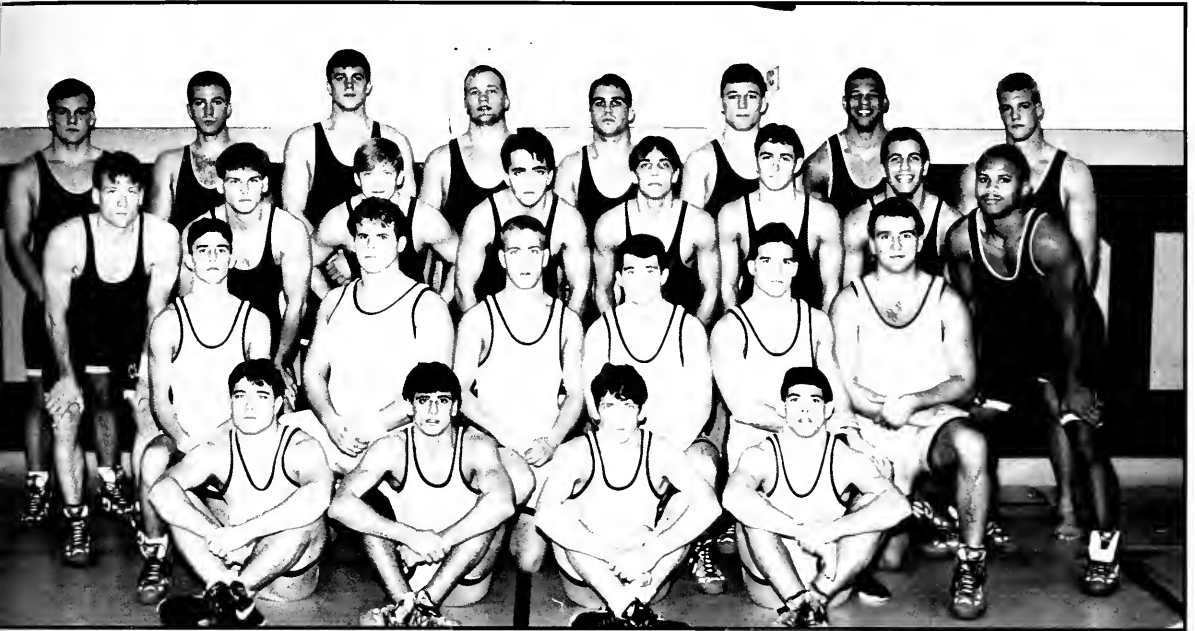

This year Clarion sent six wrestlers to NCAA to Division I Nationals. Representing the Eagles were Sheldon Thomas 118, Bob Crawford 126, J.J. Stanbro 167, Dan Payne 177, Bryan Stout 190, and Rob Sintobin Hwt. At Nationals, Brian Stout finished eighth, and Rob Sintobin finished fourth.

SOFTBALL

"Eye of the Tiger," was the quote used by freshman Julie Catalano before every game of the 1994 Golden Eagles Softball games. Jodi Pezek-Burns was in her second year as Head Coach of the Clarion Softball Team. Coach Pezek-Burns had high hopes when they traveled down to Cocoa, Florida for spring training, but came home with a losing record. Still Coach Pezek-Burns never gave up.

The team was young this year with five starting freshman out in the field. Both of the pitchers, Sonya Haffer and Missy Brown, were freshman. With their power and speed, we would definitely win some games during the season. Behind the plate was freshman Rose Wilson. On third base was freshman Tracie Mathis, and out in center field was Julie Catalano. Melodi Dess also came in and started at short stop for her first year of fastpitch softball.

Along with the young players there were a few veterans also. Sarah Pitney, a junior and team captain, started at second base. Pitney is the oldest on the team, and has lettered three years for the Golden Eagles. Leslie Schattauer started at first base and was known for her powerful bat. Out in the outfield were Danene Brown and Mary Beth Kasenchak to cover the left and right outfield positions.

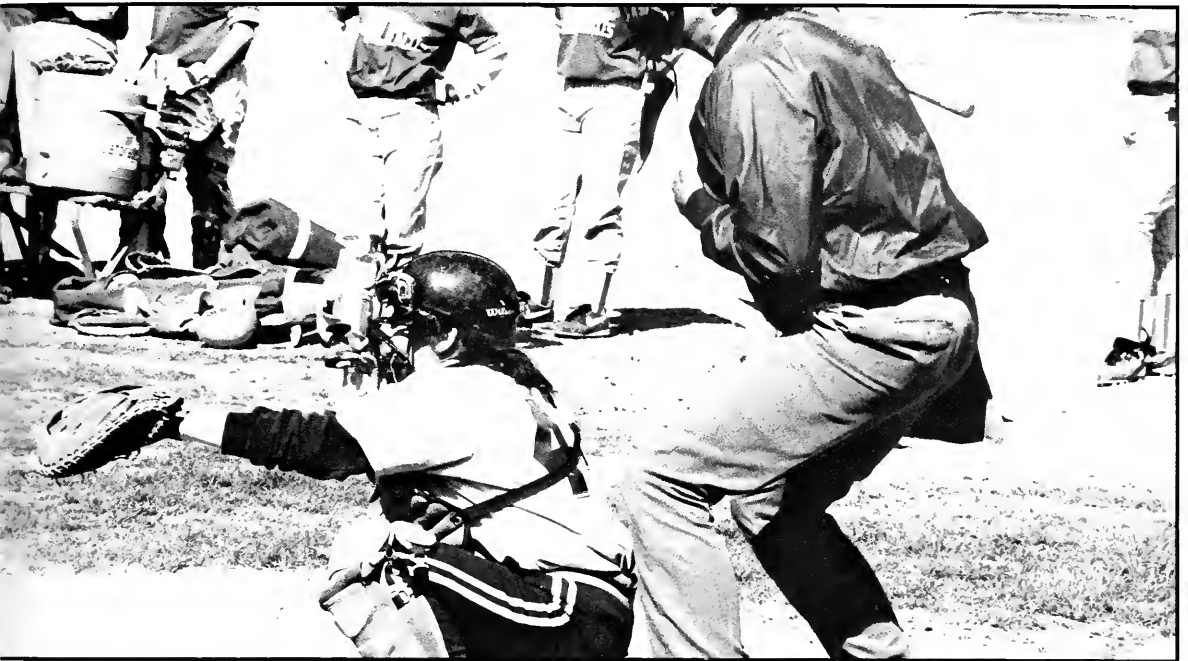

Clarion's overall record was 7-26 and 3-7 in conference play. The team has definitely improved from a 0-10 conference record from last year. The team still has room to improve, and next year they are going all the way! Great season ladies! See ya next year!

Lisa McCarty

Lisa McCarty

Lisa McCartney

Lisa McCartney

Lisa McCartney

BASEBALL

The 1994 Golden Eagles Baseball Team, had a lot of returning players this year along with a lot of upcoming freshman. There are six seniors, eight juniors, six sophomores, and sixteen freshman on the 1994 squad.

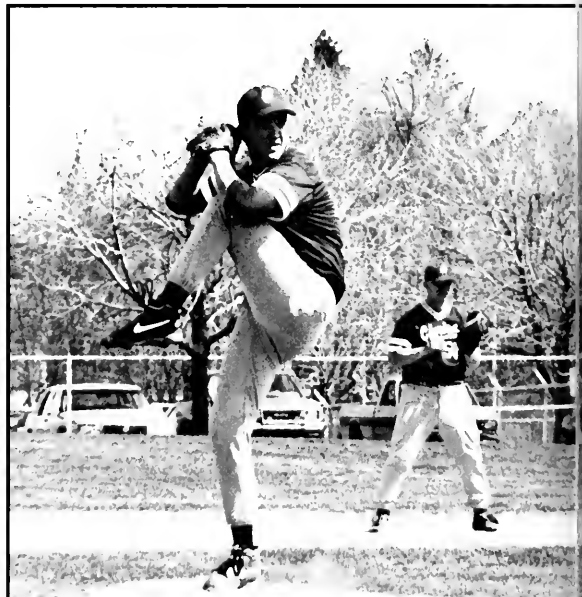

In the starting pitching rotation there is Mark Spohn, Jason Rafalski, Bob Hooks, Billy Cook, and Ryan Bauer. In the bullpen there are Jason Knight, Scott Feldman, Ryan Saul, and Mark Johnson. Starting in the infield at first base is Pat Berzonski, second base is John Quailhlero, third base was Kurt Pannier, and at shortstop was Dave Skovera. Skovera injured his knee and was unable to play for the rest of the season. Last year, Skovera was an All-American and rumors were started that he might go pro. To come and take his place though was freshman Phil Pegher. Starting in left field was Chad McCombs, center field was Scott Weir, and in right field was Marc Keller.

This year, the team was 5-15 in the conference and 11-23 overall. All the games were a killer but the guys pulled through everything.

The highlight though was the last game of the season when three players got thrown out. These players include Pat Berzonski, Bill Bates, and Mark Johnson. A fight had broken out, words were exchanged and fists were thrown. Good job this season, and come back fighting next year!

"FAME"

© 1980 Columbia Tri Star

This story begins with a lot of creativity and talent waiting to be refined.

As time passes, hard work, patience, practice, and instruction begin to gently and steadily smooth away the rough edges.

Finally, as a senior your talent and creativity have been refined into a finished product to proudly share.

FINE ARTS

Now granted, Clarion is a long way from the New York School of the Performing Arts, but not that far when you measure the amount of talent showcased each year by the students and faculty of Clarion U.

Brian Bazala

King of The 88 Keys

There is a phrase that states that everyone has fifteen minutes of **FAME**. The singers, dancers and actors were determined to make their time in the spotlight last as long and be as great as possible. Let the next thirty pages be proof that good things come in small packages. Hopefully, if I don't see you at the performances, I'll C U At The **Movies**.

THEATRE

To honor the 25 year anniversary of the Broadway performance of "Hair", the theatre department brought the "Age of Aquarius" to CUP. Marilouise Michel, who directed the production, stated "many of her students in the multi-racial cast were apprehensive but then enjoyed it vey much."

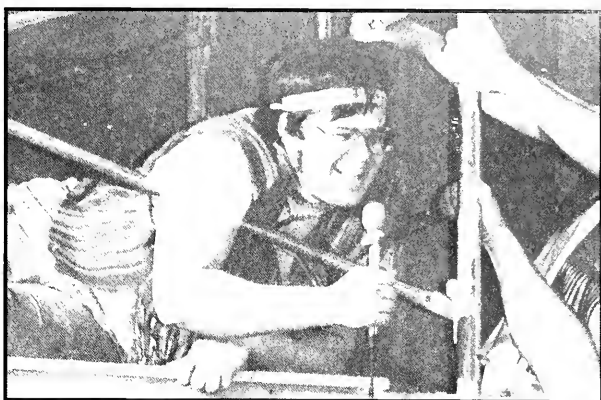

HAIR
raising
experience!

The story was about the drawing of the "Age of Aquarius" as seen through the wild and crazy eyes of the hippie movement in New York City. Part nostalgia and part history, the play expressed the aura and the story of the summer of love, the summer of 1969.

MUSIC

The Percussion Ensemble is a specialized organization that provides an opportunity to study and perform modern chamber compositions for the various percussion instruments. During the course of a public performance, as many as 30-40 distinctly different percussion instruments may be utilized.

Bang!
Crash!
Boom!

The members of the ensemble are primarily music majors who have chosen percussion as their primary performance instrument. However, students in other academic disciplines who possess a strong background in percussion can audition for membership.

THEATRE

A.R. Gurney's "Love Letters" opened CUP's 1993 Theatre Season. "Love Letters" was performed as Traditional Readers Theatre in the Heart Chapel by Marion Russell as Melissa Gardner and Michael Martin as Andy Makepeace Ladd, III.

Chris Kruljac

Love
will
keep us
together

"Love Letters" was chosen to be performed as Readers Theatre by the director, Dr. Mary Hardwick who stated "It is important for me to do a readers Theatre... I wanted this production in the chapel because it is an intimate play and the chapel lends itself to intimacy."

C U
At The
Movies!

Staff

"Love Letters" is a story of two people and the growth of their relationship. During their complicated lives Andy and Melissa corresponded through grade school, birthday parties, college football games, and law school. Marriages, divorces, and alcohol were also part of their lives. Andrew and Melissa shared possibly the strongest of all loves to exist in the eternal hearts of those who are given life through language.

MUSIC

Hail! The King and Queen have entered the room. The room itself is quit magnificent looking at this time of the year (especially for those students who are craving good home cooking.) A feast is set before you, the atmosphere is that of medevil times, and the royal court is eating in front of you.

Hail
the
Queen!

This is a night of food and music the week before fall finals. The students are a chosen few who enjoy singing the works of various centuries and performing for the students as well as the community. This year's king and queen were Robert Colbert and Kathi Shaffer.

THEATRE

"When You Comin' Back Red Ryder" concluded the 1993-94 theatre season. The director, Dr. Avi Seaver, stated, "This is one of Medoff's earlier works." Medoff also authored the Tony Award winning "Children of a Lesser God."

Last curtain call!

The setting was a diner in New Mexico and is a conventional story of people facing a hostage situation once they are taken prisoner by a Vietnam veteran. The cast members included Dan Brady, Christine Arnold, Michael Moats, Amy Beth Fort, John Rickard, Scott Webster, Matt Niemla, and Holly Sena.

MUSIC

Every semester is filled with the beautiful sounds of music. One of the many fantastic performances that take place is faculty recitals. Various faculty throughout the music department practice to perform for one night in a semester.

Those
who
teach

In some recitals, the faculty member is assisted by students, friend, or other faculty member. There are also times when two faculty members will combine their talents for one performance. This effort involves both Clarion and Venango campuses, eventhough the shows are held in Marwick-Boyd auditorium.

C U
At The
Movies!

All Photos by Stephanie Rankin

THEATRE

First position, second position, third position, plie or since this applies to the annual December Dance Concert how about leaps and bounds! Under the direction of Marilouise Michel as director/choreographer, auditions were held for students to gain a spot in any of the 21 dances performed.

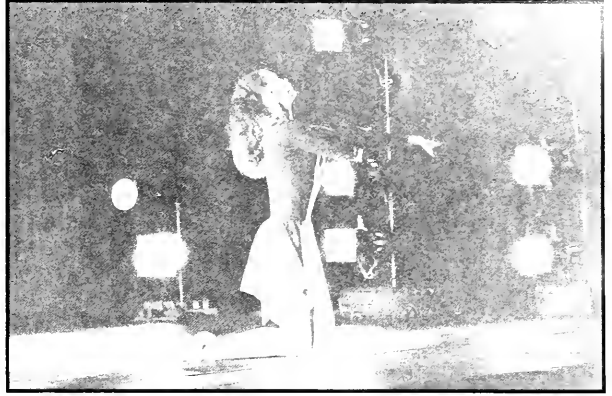

Trip
the
light
fantastic!

Personally choreographed group & solo student routines also had a chance to make the stage through selective November auditions. Due to the fancy footwork of the dancers moving & grooving to the distinct theatre oriented dance style in "A Step in Time" the audience stayed on their toes.

FEATURE PRE-
SENTATION

"THE
GRADUATES"

© 1967 Columbia Tri Star

This story begins with mixed feelings of anxiety and excitement on your first day of classes.

As time passes, you develop lasting friendships and become accustomed to the notorious college classes you once dreaded.

Finally, it's graduation and you shed your last tears with renewed feelings of anxiety and excitement.

☆ C.U. IN REVIEW ☆

THE ONE THING THAT I
 WOULD LIKE TO FORGET
 ABOUT BEING AT CLARION:

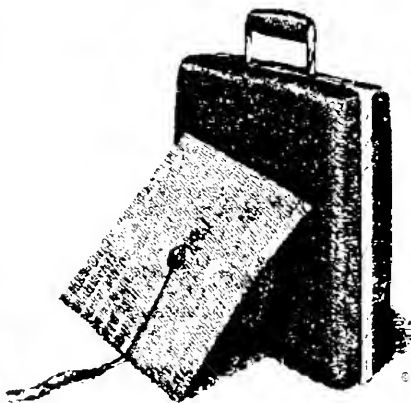

MY FIRST SEMESTER HERE IN 1989,
 HAVING TO LIVE WITH THE
 WEIRDEST, SLOPPIEST PERSON I
 HAVE EVER MET, THE ROOMMATE
 FROM HELL!

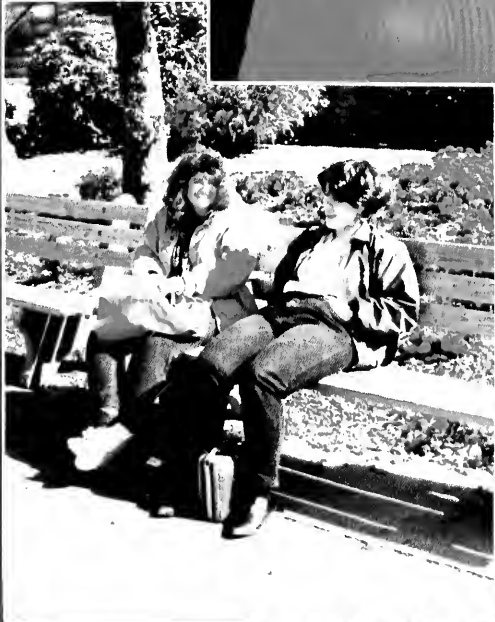

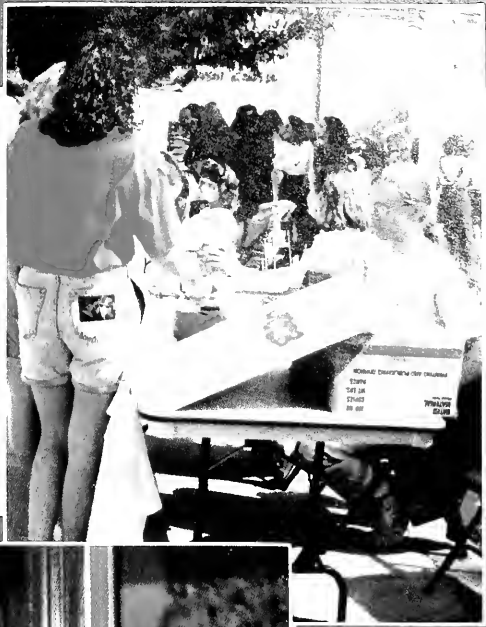

MICHAEL T. MANION

THE MOST EMBARRASSING
 THING THAT HAPPENED TO
 ME AT CLARION:

A PROFESSOR CAUGHT ME SLEEPING
 IN A SEMINAR TYPE CLASS.

THE MOST EMBARRASING
THING THAT HAPPENED TO
ME AT CLARION:

I FELL UP THE STAIRS AT FOUNDERS
HALL MY FIRST DAY OF CLASS.

MELISSA J. CARAWAY

I WALKED IN AND SAT DOWN IN
CLASS AND REALIZED THAT DID
NOT RECOGNIZE ANYBODY.
SUDDENLY IT HIT ME- I HAD THE
RIGHT TIME AND RIGHTH ROOM,
BUT THE WRONG SEMESTER! I HAD
WALKED TO A CLASS THAT I HAD
THE PREVIOUS SEMESTER OUT OF
HABIT. I GOT UP AND WENT TO MY
PROPER CLASS. LUCKILY THERE
WAS ONLY A FEW PEOPLE IN THE
ROOM AND I WAS NOT LATE TO
THE CLASS I WAS SUPPOSED TO BE
IN.

SCOTT E. CAPLAN
